11/73, Sri ram nagar, 3rd street, Manali new town
Chennai-600103.

Creative Graphic Designer and Video Editor with 8 years of experience delivering high-impact visual communication across digital, social, print, presentations, corporate events, video, and motion graphics. Experienced in leading and coordinating a team of 3–4 designers, allocating work, reviewing deliverables, providing creative direction, and ensuring timely, brand-aligned output. Strong collaborator with marketing, sales, leadership, artists, designers, clients, and business stakeholders, with a keen eye for visual storytelling, typography, composition, and brand consistency.

Key Skills:

- **Graphic Design:** Adobe Illustrator, Photoshop, InDesign, CorelDRAW; digital, social and print design
- **Video Editing & Motion Graphics:** Adobe Premiere Pro, After Effects, Final Cut Pro, Cinema 4D
- **Team Leadership:** Handling and coordinating a team of 3-4 designers; task allocation, creative guidance, reviews and delivery tracking
- **Presentation Design:** PowerPoint, Google Slides and Keynote; client pitches, corporate meetings, product launches and internal communications
- **Brand Alignment:** Maintaining visual consistency, brand guidelines, messaging, tonality and design standards
- **Project Management:** Managing multiple projects, priorities, timelines, feedback cycles and final deliverables
- **Corporate Event Design:** Banners, standees, posters, booth designs, signage and digital event graphics
- **Creative Collaboration:** Cross-functional collaboration with marketing, sales, leadership, artists, designers, vendors and stakeholders
- **AI-Powered Creative Tools:** Midjourney, Runway, Adobe Firefly, Canva AI, Dall-e, and Leonardo AI; Ai-assisted Visual Ideation, Image/Video Concepts, Content Refinement, and Creative Production Workflows.

Professional Experience:

Deputy Manager - Graphic Designer and Video Editor - Marketing Team
Hexaware Technologies, Chennai
Oct 2024 –

- Create visually engaging social media posts, advertisements, GIFs, case studies, flyers, brochures, presentations and other marketing assets that strengthen brand awareness and engagement.
- Lead and coordinate a team of 3-4 designers by allocating tasks, providing creative direction, reviewing designs, mentoring team members and ensuring quality and on-time delivery.
- Collaborate with marketing, sales and leadership teams to translate business objectives into clear, compelling and brand-aligned visual communication.
- Develop professional presentations for internal meetings, client pitches and corporate communications, ensuring strong visual hierarchy, structure and readability.
- Adapt and optimize creative assets for Instagram, Facebook, LinkedIn, Twitter and other digital platforms to maximize reach and impact.
- Manage multiple concurrent design requests, prioritize workloads and maintain consistency across deliverables and brand guidelines.

Senior Creative Designer - Graphic Designer and Video Editor - Marketing Team
Mobius Knowledge Services, Chennai
July 2020 – Oct 2024

- Create and design various graphics materials for digital, social, and print platforms, ensuring alignment with brand identity and storytelling goals.
- Edit raw footage into captivating videos that convey brand messages effectively and resonate with target audiences.
- Collaborate with artists and designers to develop graphics and video solutions that reflect the brand's tonality and objectives.
- Manage multiple projects within design specifications and time restrictions, delivering high-quality results on time. Implement feedback and changes to ensure projects are completed accurately and meet client expectations.

Animator/Graphic Designer - Graphic Designer and Video Editor
MF Media, Chennai, Tamil Nadu, India
Oct 2018 - May 2020

- Design and animate motion graphics for video projects, including title sequences, lower thirds, transitions, and visual effects, using Adobe After Effects and Cinema 4D.
- Work closely with video editors and producers to integrate motion graphics seamlessly into video content, enhancing storytelling and visual appeal.
- Create animated explainer videos, product demos, and promotional videos to communicate complex ideas and concepts in engaging and accessible ways.
- Collaborate with clients and stakeholders to understand project requirements and deliver motion graphics solutions that meet their objectives and specifications.
- Stay updated on industry trends and best practices in motion graphics and animation, incorporating new techniques and technologies into design projects.
